**MESSAGE:** Belanger stayed in Yreka yesterday administering to one crew member and working with comps/claims from the Type 1 Team. Kile/Belanger met with the crews last evening after end of shift. All crews are doing well. This morning, Kile/Belanger attended this morning briefing. We met with all crew bosses. No issues to report, We met with the demob unit about updates to the release dates and times for travel back to Fort Smith. Per Plans/IARR recommendation to Expanded Dispatch and North Ops. Coordination Center, NICC jet was rescheduled to transport crews back to Fort Smith from Monday morning to Tuesday morning. Sunday will be the last shift day (14<sup>th</sup> day). Monday will be the scheduled demob day from the Salmon River Complex w/travel to Redding. Tuesday will be the air travel day for the module back to Fort Smith.
